WELCOME MESSAGE FROM THE PRESIDENT OF THE MALAYSIAN ARTHROSCOPY SOCIETY (MAS)

Dear Esteemed MAS Members,

It is with great pleasure that I welcome you to the **12th Annual Scientific Meeting 2025, to be held at the InterContinental Hotel Kuala Lumpur from 9th to 11th October 2025.** This gathering promises to be a vibrant platform for sharing ideas and knowledge, fostering growth and innovation for the benefit of all members.

I encourage you to participate in the newly rebranded **MAS Innovation Award**, celebrating excellence in Innovation for Patient Care and Clinical Practice in Sports Surgery. This is an opportunity to showcase your groundbreaking contributions.

We are honoured to host renowned **International Speakers** from across the globe, who will share insights on diverse topics spanning the Shoulder, Knee, Hip, Elbow, Foot and Ankle, as well as broader themes like the **Fee Schedule** and **Practice Section** under the Ministry of Health Malaysia.

Finally, I extend my heartfelt gratitude to the **Organising and Scientific Committee Members** and the **MAS Secretariat** for their tireless efforts in making this event possible. Together, let us make this meeting a resounding success!

Warm regards,
Dr Mohd Nizlan bin Mohd Nasir

WELCOME MESSAGE FROM THE ORGANISING CHAIRMAN OF THE 12th MAS ASM 2025

Dear Esteemed Colleagues, Distinguished Guests, and Friends,

On behalf of the Organising Committee, it is my privilege to welcome you to the 12th Malaysian Arthroscopy Society Annual Scientific Meeting 2025 (12th MAS ASM 2025), taking place at the InterContinental Kuala Lumpur from the October 9th to the 11th, 2025.

This year, we are thrilled to unfold the meeting with the theme **"UNRAVELLING THE MYSTERY: DECODING THE COMPLEXITY OF JOINT PRESERVATION"**. This theme echoes our commitment to the dynamic and rapidly evolving field of arthroscopy and sports surgery, highlighting the latest research, emerging techniques, and technological breakthroughs that continually redefine patient care. The meeting is designed to provide an enriching experience that goes beyond conventional learning—bringing together experts, thought leaders, and practitioners to explore the groundbreaking advancements in joint preservation and arthroscopic surgery.

A hallmark of this year's meeting is its strong focus on practical learning and real-world application. We have prepared an exciting programme that offers interactive discussions, hands-on workshops, alongside immersive case-based sessions, ensuring every delegate gains valuable takeaways that can be applied directly in clinical practice. Whether you are an experienced surgeon, a rising young surgeon, a sports medicine physician, a medical officer exploring arthroscopy, or a healthcare professional contributing to our field, this meeting offers invaluable opportunities for learning, collaboration, and professional growth.

Beyond the academic sessions, MAS ASM 2025 also fosters a vibrant environment for networking—a chance to reconnect with old colleagues, establish new collaborations, and exchange ideas that will shape the next chapter of arthroscopic surgery in Malaysia and beyond. We hope that the discussions sparked within these halls will continue long after the meeting concludes.

As the Organising Chairman, I would like to extend my heartfelt gratitude to our esteemed faculty, industry partners, the organizing team, and all the participants for your unwavering support in making this event possible. Your contributions are pivotal to the conference's success and the ongoing progress of our specialty. Together, let us embark on this enlightening journey, as we strive to demystify the complexities of joint preservation and pave the way for a future where mobility, function, and quality of life remain at the heart of our mission.

I look forward to meeting all of you this year in the multicultural, dynamic city of Kuala Lumpur for what promises to be an exceptional 12th MAS ASM 2025 event.

See you soon !

Warm regards,
Dato' Dr. Shahrulazua Ahmad,

WELCOME MESSAGE FROM THE SCIENTIFIC CHAIRPERSON OF THE 12th MAS ASM 2025

Dear Colleagues and Friends,

It is with great enthusiasm that I welcome you to the 12th Malaysian Arthroscopy Society Annual Scientific Meeting (MAS ASM) 2025. This year's event promises to be our most dynamic and impactful gathering yet, bringing together a diverse faculty of world-renowned experts, dedicated sports surgeons, and sports physicians, all united in advancing the field of arthroscopy and sports injury management.

The 12th MAS ASM 2025 has been meticulously designed to provide a platform for the exchange of cutting-edge knowledge and innovations. For the first time, we are introducing new sessions such as video demonstrations from experts, offering attendees a unique opportunity to learn directly from the masters. Our case-based discussions will feature expert panels, fostering an environment of collaborative learning and mentorship. Additionally, the Young Surgeon Forum will provide a dedicated platform for emerging surgeons to showcase their skills and perspectives, further enriching the meeting experience. These additions reflect our commitment to making this meeting an enriching experience for all participants, regardless of their level of expertise.

This year's program spans three concurrent sessions, covering all major joints - knee, shoulder, elbow, hip, and foot and ankle. The comprehensive scope ensures that there is something valuable for every attendee. We are confident that the scientific value and practical insights provided during this meeting will inspire new ideas and elevate your clinical practice.

As the Scientific Chairperson, it is my privilege to work with a dedicated committee to curate a program that combines scientific content with interactive learning opportunities. I encourage you to actively engage in the discussions, share your perspectives, and connect with peers and mentors throughout the event. Together, we can push the boundaries of what is possible in arthroscopy and sports surgery.

Thank you for your participation and continued support. Let us make 12th MAS ASM 2025 a truly memorable and transformative experience for all.

Warm regards,
Associate Professor Dr Teo Seow Hui
