POINTS
AVAILABLE

6th-7th September 2024

Regatta Suites Kozi Square Kuching

Organized by

A Word From Chairperson

On behalf of the organizing committee, I would like to welcome everyone to Borneo Lower Limb Symposium 2024. It is a great pleasure for myself personally to share this stage with distinguished speakers from the field of paediatric orthopaedic surgery from all over the country.

In this symposium, we will explore various aspects of simple and complex lower limb pediatric orthopedics conditions. Participants will have the opportunities to learn about PONSETI casting and tendo Achilles tenotomy, with the goal of putting the knowledge into practice for our patients especially from East Malaysia.

Let's use this opportunity to enhance our knowledge, share our experiences, and ultimately improve the care we provide to our young patients. Thank you for being here, and I look forward to a productive and enlightening course together.

Assoc Prof Dr Faris Indra Prahasta bin Didi Indra
BPLLS 2024 Chairperson

DISTINGUISHED SPEAKERS

INVITED SPEAKERS

Dr Aryadi
Kurniawan
Universitas
Indonesia

Prof Dr Abdul Razak
bin Sulaiman
