Welcome Message From President Of MOA & Organising Chairman Of The 54th Malaysian Orthopaedic Association Annual Scientific Meeting 2025

“We are back in Kuala Lumpur”

Dear esteemed members and friends of MOA,

On behalf of the Malaysian Orthopaedic Association (MOA), it is with immense pleasure that I extend a warm welcome to the **54th Malaysian Orthopaedic Association Annual Scientific Meeting (MOA ASM 2025)**, themed “**MOA In Motion: Journey Towards Orthopaedic Excellence**”.

As we embark on this journey together, let us reaffirm our commitment to advancing orthopaedic care through education, research, and innovation. Our goal is to cultivate a community of orthopaedic surgeons who are equipped with the latest knowledge and skills to provide exceptional patient care.

This year’s conference is a platform to share our experiences, exchange ideas, and explore new horizons. Together, we can shape the future of orthopaedics in Malaysia and beyond.

The 54th MOA ASM 2025 will be held at the prestigious Kuala Lumpur Convention Centre (KLCC) from **22nd to 24th May 2025**. The venue is an exceptional environment for learning, networking, and professional exchange.

We are diligently curating a program that will encompass a wide range of topics, cutting-edge research, and practical workshops. Whether you are a veteran orthopaedic surgeon, a junior doctor embarking on your career, or an allied healthcare professional, there will be something for everyone.

At MOA, we understand the importance of fostering a vibrant and inclusive community. We encourage active participation in discussions, meet-the-expert, lightning presentations, and workshops. This is your chance to learn from the best, share your expertise, and contribute to the advancement of orthopaedic practice. We are planning with the key industry partners to hold hands-on workshops throughout the meeting.

We have not forgotten the area of the conference where many of us will spend our time during the ASM i.e. the industry exhibition area. The layout of the exhibition area will be meticulously planned to allow our industry partners to showcase their newest technologies, pharmacological treatments and rehabilitation equipment. We will also come up with more ideas and channels for our industry partners to engage with our attendees.

For more information about the conference, program details, and registration, please visit our websites: moaasm.com and moa-home.com.

We eagerly anticipate welcoming you to Kuala Lumpur for this momentous event. Let us join forces to drive orthopaedic progress in our nation.

With warm regards,

Welcome Message From The Scientific Chairman Of The 54th MOA ASM 2025

Dear Esteemed Colleagues,

On behalf of the Scientific Committee, I am thrilled to invite you to the **54th Malaysian Orthopaedic Association Annual Scientific Meeting (MOA ASM 2025)**, themed “**MOA In Motion: Journey Towards Orthopaedic Excellence**”. This exciting event will be held at the iconic Kuala Lumpur Convention Centre from **22nd to 24th May 2025**.

The 54th MOA ASM promises to be a landmark event, bringing together leading orthopaedic surgeons, orthopaedic trainees, researchers, healthcare professionals and industries from Malaysia and abroad.

I believe it's a fantastic opportunity for you to connect with orthopaedic experts from Malaysia and overseas, build lasting relationships and explore potential collaborations. This is also a chance for you to showcase your latest research in your field. We are actively seeking high-quality abstracts across the entire spectrum of orthopaedic surgery, and I do hope you share your valuable insights with the community.

This year our annual highly contested awards will be back, namely the: -

- **Mahmood Merican Best Masters Research Award,**
- **Best Basic Science Poster Award,**
- **P. Balasubramaniam Best Published Translational Medicine (Non-Clinical) Paper Award and**
- **Subir Sengupta Best Published Clinical Paper Award.**

After putting in your best effort all year round, it's time for you to earn recognition for your outstanding work. It is also exciting to see Master Students and Orthopaedic Master Trainees battling it out again in the highly anticipated MOA Presidents Cup Quiz.

The theme, “MOA In Motion,” reflects our commitment to continuous advancement in the field. We encourage abstract submissions that reflect this theme, showcasing innovative approaches, cutting-edge research, and best practices in orthopaedic care.

We are putting together a fresh line-up of international speakers and national experts in our invited faculty. Details will be out in the coming months. If there are topics which you feel should be covered, do share it with me at speaker.vip@moaasm.com and we will endeavour to put it together.

Visit our website at moaasm.com for detailed information on abstract submission, award categories, faculty, and programme updates.

Together, let's make the 54th MOA ASM 2025 a resounding success, and create a legacy of orthopaedic excellence at the 54th MOA ASM 2025.

With warm regards,

Assoc Prof Dr Muhammad Kamal Muhammad Abdul Jamil

Mahmood Merican Best Masters Research Award

This is an annual award for the best original scientific or clinical paper submitted by postgraduate Orthopaedic trainees in Malaysia. This work represents the research that was conducted during training, which is one of the requirements for the conferment of their degree. This award was initiated in 1997 by Dato' Dr Mahmood Merican, whom the award is named after. He is a well-known Orthopaedic Surgeon and a philanthropist who has contributed tremendously to the Malaysian Orthopaedic community. The objective of the award is to encourage a high standard of research and scientific presentation among Orthopaedic trainees so they may become surgeons who can perform great surgery but are themselves thinkers who understand the importance of sound scientific work and its applicability in daily clinical practice.

This award has demonstrated good outcomes and each year the competition gets tougher. We wish all the applicants Good Luck!

The Prize

A cash prize of **RM3,000.00** donated by Dato' Dr Mahmood Merican.

Regulations

1. The competition is open to all registered trainees in the Malaysian Orthopaedic Post-graduate training programmes in Malaysian universities and trainees who have completed or will complete their training in 2025 are also eligible.
2. The work may take the form of clinical trials, surveys, retrospective studies, laboratory experiments or any other form of original work.
3. In general, the research work must be derived from a thesis/ dissertation completed during the time of training. Published work by a trainee can also be accepted provided they can show evidence that the work was submitted as a requirement for the Masters of Orthopaedic Surgery (or similar programme).
4. Applicants should not have submitted similar work in any other competition, including for this award previously. The research work must not have been presented in whole or in part in any form in other conferences, seminars, or official presentations.
5. The abstract will be evaluated on the following criteria:-
 - » The relevance of the work to Orthopaedic research or practice.
 - » The scientific merit of the research.
 - » Sufficient introduction to justify clear research question.
 - » The appropriateness of the methodologies used.
 - » The interpretation of results and conclusions.
 - » Presentation skills.
 - » Ability to answer questions from the judges.

6. Upon the abstract submission deadline, all abstracts will be reviewed by the Scientific Committee and be scored by a group of selected International Orthopaedic surgeons to shortlist the top 5 finalists. All authors will be notified of the status of their paper.
7. All results are final; however, the scientific committee has the right to make the final decision in special circumstances.
8. The top 5 finalists will be provided with complimentary registration to the 54th MOA ASM 2025.
9. The submitting authors of the top 5 finalist submissions must present an oral presentation of the paper during the MOA Annual Scientific Meeting. This consists of 8 minutes oral presentation, followed by 4 minutes of Q&A with the panel of judges. The winner will be announced during the closing ceremony and the presenter must be in attendance to accept the award.
10. All applicants may request for the detailed results of the submission after the competition is over, provided it is approved by the Scientific Committee.
11. Non-finalists may be offered a chance to present their work as a free paper oral presentation or poster presentation during the MOA Annual Scientific Meeting.
12. All finalists and non-finalists presenting in MOA Annual Scientific Meeting must register for the conference as a delegate.
13. All finalists will be invited to the MOA President's Dinner. The winner will be announced during the dinner and the winner must be present to accept the award.

Application

Abstract submission can be done online at our website. The deadline for submission of abstract is **2359hrs, 28th February 2025**.

Please refer and adhere strictly to the **ABSTRACT SUBMISSION GUIDELINES** on page 13 for the accepted format of submission. The same submission format applies for those submitting for this award. Abstracts that do not adhere to the guideline will not be entertained.

Best Basic Science Poster Award

This award is open to all scientists regardless of origin or levels, provided the research is related to the field of basic science in orthopaedics. This award was created more than 6 years ago to increase the participation of scientists in orthopaedic related research work in Malaysia. It is hoped that by doing so, MOA is encouraging more people to engage in serious research work, purely driven at understanding the very fundamentals of sciences that have enormous impact on orthopaedic practices. This award is generously donated in full by Dato' Dr K.S. Sivananthan, who is a veteran, a Past President of MOA and esteemed member of the MOA and patron of this award since its inception.

The Prize

A cash prize of **RM1,000.00** donated by Dato' Dr K.S. Sivananthan.

Regulations

1. This award is open to all scientists regardless of origin or levels provided the research is related to the field of orthopaedics (based on the interpretation of the scientific committee.)
2. **Abstract submitted for this award should be an unpublished original orthopaedic related research (lab study). Systemic reviews are not accepted.**
3. The bulk of the work submitted must be performed by the author even though the author may have done the work in conjunction with other doctors or agencies either locally or internationally. However, the work must be carried out in Malaysia.
4. The abstract will be evaluated on the following criteria:-
 - » The relevance of the work to orthopaedic research or practice.
 - » The scientific merit of the research.
 - » Sufficient introduction to justify clear research question.
 - » The appropriateness of the methodologies used.
 - » The interpretation of results and conclusions.
 - » Presentation skills.
 - » Ability to answer questions from the judges.
5. Upon the abstract submission deadline, all abstracts will be reviewed by the Scientific Committee and be scored by a selected group of judges to shortlist the top 5 finalists. All authors will be notified of the status of their paper.
6. All results are final; however the scientific committee has the right to make the final decision during special circumstances.
7. The author of a top 5 finalist abstract must present an oral presentation of the paper as well as prepare a poster presentation during the MOA Annual Scientific Meeting. Finalists will be provided with complimentary registration to the 54th MOA ASM 2025.
8. The poster presentation judging will be at the poster panels. The assigned time for each finalist will be informed closer to the conference date.
9. All finalists and non-finalists presenting in MOA Annual Scientific Meeting must register for the conference as a delegate.
10. All finalists will be invited to the MOA President's Dinner. The winner will be announced during the dinner and the winner must be present to accept the award.

Application

Abstract submission can be done online at our website. The deadline for submission of abstract is **2359hrs, 28th February 2025**. Please refer and adhere strictly to the **ABSTRACT SUBMISSION GUIDELINES** on page 13 for the accepted format of submission. The same submission format applies for those submitting for this award. Abstracts that do not adhere to the guideline will not be entertained.

Subir Sengupta Best Published Clinical Paper Award & P. Balasubramaniam Best Published Translational Medicine (Non-Clinical) Paper Award

The Malaysian Orthopaedic Association (MOA) has 2 awards to recognise the best published journal papers in the preceding year by members of our associations. The aim of these awards is to promote research and publication culture among MOA members and to recognise their contributions in the field of orthopaedics. The following 2 annual awards are opened to Malaysian orthopaedic surgeons who continue to do research and publish their work in orthopaedic journals.

SUBIR SENGUPTA BEST PUBLISHED CLINICAL PAPER AWARD

This award is to recognise the best published clinical paper for journal papers published in the period from 1st January 2024 to 31st December 2024 in either hardcopy or online journal.

This award is to recognise the best published translational medicine paper for journal papers published in the period from 1st January 2024 to 31st December 2024 in either hardcopy or online journal.

The Prize

A cash prize of **RM2,000.00** for Subir Sengupta Best Published Clinical Paper Award.

A cash prize of **RM2,000.00** for P.Balasubramaniam Best Published Translational Medicine (Non-Clinical) Paper Award.

The cash prizes are donated by Yayasan Ortopedik, Department of Orthopaedic Surgery, Faculty of Medicine, Universiti Malaya.

Criteria

1. Originality and level of scientific evidence of the study.
2. Potential impact towards medical science and medical practice especially in the field of orthopaedics and trauma.

Eligibility

1. The submitter must be the presenter of the award.
2. The submitter must be a Malaysian Orthopaedic Surgeon, and one of the authors and key researcher of the paper.
3. Journal papers published in the period from 1st January 2024 to 31st December 2024 in either hardcopy or online journal will be eligible.
4. Journal paper submitted "in press" will not be eligible.
5. Journals papers that were considered before for past Subir Sengupta Best Published Clinical paper Award and P. Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award are not eligible for resubmission.
6. Authors of award winners will be required to present their paper during the MOA Annual Scientific Meeting to be eligible for the cash prizes. Award winners will be notified beforehand. Finalists will be provided with complimentary registration to the 54th MOA ASM 2025.
7. The award winners will be required to present their papers in a 15 minutes oral presentation during the MOA Annual Scientific Meeting.

Application

1. PDF copy of the paper must be submitted online before **2359hrs, 28th February 2025**.
2. A selection committee will be formed by the Malaysian Orthopaedic Association to evaluate all submissions and winner for each award will be announced before the conference.

The MOA conference secretariat **MUST** be notified in writing of all cancellations:

- **Cancellation ON or BEFORE 15th March 2025: 50% Refund**
- **Cancellation AFTER 15th March 2025: No Refund**

Reimbursement Policy

In circumstances where the delegate requests for reimbursement of registration fees or their own delegate expenses, MOA reserves the right to deduct a 15% administrative fee on the total value of the reimbursement claimed. Instead of requesting for reimbursement, we suggest finding a colleague to take over your ticket.

MOA Membership

The registration fees for MOA Members category is only applicable if your MOA membership is still valid. If your membership is no longer active, your conference registration will automatically be processed as a Non-MOA Member.

To check your membership status, please contact MOA office at +603 8996 6300 / moa@moa-home.com / membership@moa-home.com

If you wish to renew your membership please fill up the form here: bit.ly/joinMOAtoday and contact MOA office at +603 8996 6300 / moa@moa-home.com / membership@moa-home.com for the status.

Certificate of Attendance

After the conference, you may log in to your 54th MOA ASM 2025 account to download your e-certificate under your **USER DASHBOARD**.

Disclaimer

Whilst every attempt is made to ensure that all aspect of the conference as mentioned in this announcement will take place as scheduled, the Organising Committee reserves the right to make last minute changes should the need arise.
