It is our greatest pleasure to welcome you to this UM Spine Instructional Course for primary care physician. This course is designed for medical doctors who are interested in providing spine service at the primary care level. The lecture topics of this course are designed to cover the management of the common presentation of spinal problems encountered by primary care physician. We have also dedicated a workshop session i.e. injection techniques, designed to address the common spinal problem. During this one-day course, we hope that you will gain invaluable knowledge, as well as skills in providing a better spine service in the future.

Associate Professor Dr Chiu Chee Kidd  
Organising Chairman
